Enlighteningrespectful bio of an overlooked entertainerVon Lori Lakin HutchersonCarlton Jackson has done a concise, literate job delving into the life and work of Hattie McDaniel. Not only do you get a clear sense of who she was and her talent as a performer, but also of the context and times in which she lived. Jackson sheds much-needed

light on a seldom-seen side of Hollywood - the black side - as well as the struggles between commerce equality that still exist today. Reading about the NAACP protests against Hollywood vis a vis lack of opportunities for blacks is like reading today's headlines. But more importantly, getting a proper sense of who Hattie McDaniel was and her professional legacy are the primary reasons to read this book.

Kurzbeschreibung Hattie McDaniel was the first black to ever win an Oscar. She was also the first black woman to ever sing on American radio. In this fresh assessment of her life and career, Carlton Jackson tells the inside story of her working relationships, her personal life, and the many obstacles she faced as a black performer in the white world of show business during the first half of the twentieth century. Kurzbeschreibung Hattie McDaniel was the first black to ever win an Oscar. She was also the first black woman to ever sing on American radio. In this fresh assessment of her life and career, Carlton Jackson tells the inside story of her working relationships, her personal life, and the many obstacles she faced as a black performer in the white world of show business during the first half of the twentieth century. Synopsis Traces the life and career of the first Black actress to win an Academy Award, looks at her work in radio, and describes her relationships with her fellow actors.
