Yourself a Favor and Read This Book Von Ein Kunde Excellent insight. A logical, biblical foundation for a new framework for understanding God's intended relationship with His children. Love, rather than fear. Even if you don't consider your relationship with God to be based on fear or "appeasement" (I didn't either), this book will challenge you to reassess many of the traditions and approaches that dominate many in the Evangelical Christian Church. However, the book is not written from a critical point of view. A freeing book. Approach with an open mind. This book is having a strong, positive impact on my life. I have recommended it highly to several friends. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Thought provoking Von R. M. Strang I haven't finished reading this book. For me it requires time to think things through. I have read a few of Mr Jacobsen's book, each one has made me see some things differently. I can't say I agree with everything he says but it still made me question what I do believe and why. Not necessarily a bad thing. I have given it 4 stars because I haven't finished the book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. touching Von Claudia This book brings you really close to the heart of God and shows you his unconditional love. We don't have to earn God's love in any way. He just loves us. There is nothing we can do that he loves us more or less. There is just his love.

Kurzbeschreibung So many Christians believe God's love is fickle: when they sin, He turns away in disgust and anger. They vacillate between "He loves me" and "He loves me not" because of their behavior. That reasoning, writes Wayne Jacobsen, is as flawed as pulling petals from a daisy. Rather God's love is sturdy, enduring, and undisturbed by people's failings because God loves humankind not for what they do--but who they are. They are God's beloved creation. Startlingly honest and empathetically written, HE LOVES ME! reveals the facts of God's relentless grace. Readers will learn how to live consciously, confidently in this love all the time. Questions for personal reflection and group discussion help make these truths practical and life-changing. Insecure Christians ready for a revolutionary relationship with God will find out just how accessible that is. Pressestimmen "For those of us who are longing to 'live loved,' I cannot recommend a better follow-up to The Shack than this book. It is an exploration and adventure into the heart of the God we hoped was truly there, and who loves each of us in particular with an everlasting love." Wm. Paul Young, Author of The Shack Werbetext From the publishers of the phenomenal bestseller THE SHACK comes a revolutionary new book about faith
