inspiring and absolutely true story Von Kristen Wolford I just finished reading this book cover to cover in a day. It was definitely too good to put down. Benny Hinn did a wonderful job telling his life story, including the trials and the happy times. I think the book was an inspiration to all, that not only does God really perform miracles, He loves His children deeply, and is always faithful. I so enjoyed reading about Pastor Benny's visions and encounters with the Lord. I noticed that throughout the book, Pastor Benny would take the time to give God all the glory for His miracles. What a humble man of God Benny Hinn is. Perhaps that is one of the reasons God can use him so much. I think this book reads very well, and if you haven't read it, what are you waiting for? 1 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung This is the remarkable story of Benny Hinn—a man known to millions as one of the great healing evangelists of our time. Many who have attended his crusades, watched his daily television ministry, or have seen him on programs such as Larry King Live have asked, "Who is this man? And how did he rise to such a place of prominence?" You'll travel to Jaffa, Israel, and learn of the events that shaped the life of Benedictus, the oldest son in a family of eight children of Greek and Armenian heritage. And you will read of the deep conflicts in the Hinn household when, after the family immigrated to Canada, Benny had a dramatic, life-changing spiritual experience. The journey from a small church in Oshawa, Ontario, to the largest stadiums and arenas in the world is filled with love, laughter, and tears. It is also a story of miracles. He Touched Me, the autobiography of Benny Hinn, will inspire you. It reveals what can happen when one person becomes totally yielded to the holy Spirit.
