Von Dennis Linn, Sheila Fabricant Linn, Matthew Linn : Healing the Purpose of Your Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Healing the Purpose of Your Life:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Sealed OrdersVon Fiona MackintoshThis book was recommended to me by my godmother. My faith background was strongly scriptural but lacked meaning. This book has enabled me to connect with a sense of purpose and life that each of us shares a special connection with God. That He created us with a specific purpose and gave us gifts to enable us to engage in our mission for Him. That He placed His Great Seal on those orders and sent us to earth. This book enabled me to look at the work that I do with a greater understanding of why I find it so spiritually draining even though I am "good at it" in the natural. Thank you Dennis, Matthew and Sheila for sharing God's words and helping us all remember why we are here.
