Kurzbeschreibung This book gives love, acceptance, and healing to the victims of sexual abuse the abused, the abuser, and their families. It is an invaluable tool for those who counsel and minister to lives fractured by sexual abuse. As a professional counselor, Paula Sandford has helped hundreds of sexual abuse victims successfully deal with their fears, guilt, confusion, and depression. In her personal life, she has seen beloved family members victimized by this cruel enemy of childhood and family life. She knows the pain that all the victims share, but she also knows the way to healing. Through the many various stories of tragedy to triumph and practical tools for healing, this book leads the reader into new dimensions of hope, healing, and wholeness.
