Von George, 1824-1905 MacDonald : Heather and Snow before purchasing it in order to gage whether or not it would be worth my time, and all praised Heather and Snow:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. For those who understand the Scottish dialectVon Vivienne A.I would have enjoyed the book far more if it had not contained so much dialog in a pseudo Scottish accent, which was very difficult to understand - it was easier when read aloud, but when can one do that? I should imagine reading on the train or bus would disturb fellow passengers!!

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis Upon neighbouring stones earth-fast like two islands of an archipelago in an ocean of heather sat a boy and a girl the girl knitting or as she would have called it weaving a stocking and the boy his eyes fixed on her face talking with an animation that amounted almost to excitement. He had great fluency and could have talked just as fast in good English as in the dialect in which he was now pouring out his ambitions-the broad Saxon of Aberdeen.
