KurzbeschreibungSeth Young is one of the world's leading Hebrew teachers. After years of experience teaching 10s of thousands of students Hebrew, Seth has teamed up with fellow Hebrew teacher and author Ben Shaffer to present what they feel is the most important grammar lesson in a short book.Seth noticed that he was constantly being asked similar questions and constantly correcting students, so decided to write down in his own innovative way all of the answers.In this way, Hebrew students have learned the 'correct' way to learn Hebrew.Although it is a quick read and easy to understand, this book will teach Hebrew students, especially beginners, the simple grammar lesson that will come in handy in the vast majority of sentences in the Hebrew language.KurzbeschreibungSeth Young is one of the world's leading Hebrew teachers.
