Von Edward Waldo Emerson : Henry Thoreau As Remembered By A Young Friend (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Henry Thoreau As Remembered By A Young Friend (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another angleVon kennedy19This book is a glowing account of Thoreau's character, written later in life by Ralph Waldo Emerson's son Edward. Edward knew Thoreau up until the latter's death in 1862, when Edward was about 17. He has supplemented his own memory with interviews and anecdotes given him by other Concord citizens who knew the Thoreau family. These writings are a valuable resource for anyone who is researching Thoreau, with its humanizing slant and defence of its subject against perceived misunderstandings by the public. Any Thoreau fan will find this brief tract illuminating and amusing.

KurzbeschreibungThis book written by Ralph Waldo Emerson's son (who was 18 at the date of Thoreau's death) is an excellent short biography of Thoreau. In this biography Edward Emerson does a great job of defending Thoreau's way of life to the people and biographers (especially Lowell) critical of Thoreau in their day. "To his lonely happiness the world will owe the best gifts he has left." Henry Thoreau left society at the age of 28 to live for two years and two months in the woods by his own means. He did this in order that when it came time for him to die he would not discover "that he had not lived".KurzbeschreibungThis book written by Ralph Waldo Emerson's son (who was 18 at the date of Thoreau's death) is an excellent short biography of Thoreau.
