Von Roland Bainton : Here I Stand - A Life Of Martin Luther before purchasing it in order to gage whether or not it would be worth my time, and all praised Here I Stand - A Life Of Martin Luther:

Kurzbeschreibung This early work on Martin Luther is both expensive and hard to find in its first edition. It details the life of the monk responsible for translating the Bible from Latin into German and for inspiring the Lutheran movement. This is a fascinating work and is thoroughly recommended for anyone interested in the history of European religion. This book is about the life of Martin Luther and his continuing impact on the world. Luther is raised in a conservative and disciplined home and goes on to become a monk without his father's initial blessing. Luther does everything a monk should do. He is committed to prayer, fasting, vigils, preaching, and teaching to the point of exhaustion. He continues his education and goes on to become a leader in the Catholic Church.

Pressestimmen Readers interested in a full biography of Luther should consult Roland Bainton's classic *Here I Stand*. Augustine J. Curley, *Library Journal*
