Von Jon Amtrup, Bob Shepton : High Latitude Sailing: How to sail the cold waters of the world (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised High Latitude Sailing: How to sail the cold waters of the world (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great overviewVon KaliaThe book has very many helpful lists of detailed items that one should think aboutIt is also a great

introduction for plans beyond the normal And it definitely triggered my interest to do something similar

Kurzbeschreibung Do you want to sail to destinations like Antarctica or Arctic? Do you want to sail in winter time? Then you better prepare. This book are for those who want to sail to colder climates for more adventure. The authors have sailed most waters and share their experiences. Special section on the North West Passage and the North East Passage. See more or get hardcopy edition on [www.explorenorth.no](http://www.explorenorth.no).
