**Von Henry Hunt Snelling : History and Practice of the Art of Photography (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised History and Practice of the Art of Photography (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Spannende Einblicke in den Stand der Fotowissenschaft 1849 Von Daniel Hoffmann This book from 1849 is a report about the results of early experiments with the aim to produce naturalistic and coloured pictures on metal plates and

paper. In this it presents long forgotten secrets from the early days of photography. Unfortunately, the tables and pictures were omitted in this ebook though modern ebook readers could show them. With pictures enclosed it would be five stars. Dieses Buch aus dem Jahr 1849 ist neben einer Fotoschule auf der Höhe des wissenschaftlichen Wissens seiner Zeit auch eine Fundgrube für lange vergessene Rezepte und erste Erfahrungen auf dem Wege zum naturnahen und -farbigen- Bild. Leider wurden bei der Konversion die Fotos nicht eingebunden. Mit Fotos würde das Buch fünf Sterne verdienen.
