Von Yolande Brener : Holy Candy: Why I Joined A Cult And Married A Stranger (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Holy Candy: Why I Joined A Cult And Married A Stranger (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A serious story told in a funny, charming wayVon Erwin FranzenI loved the book. I can relate to the story very well

because, like the author, I was a 'Moonie' for many years and, where she has a brother who is mentally troubled I have two autistic sons. Her story itself is very interesting and I think she gives the reader a good idea of what it's like to be a 'Moonie.' What I appreciate most about the book is the way she writes. I find it very engaging.

Kurzbeschreibung What is the purpose of life? Is there a spiritual world? If there is a God, why does he allow innocents to suffer? The desire to find answers to these questions passed to her on a business card led Yolande Brener to enter a bizarre, 15-year odyssey in a cult that would climax in her participation in one of the largest mass marriages in history. In her award-winning memoir, Brener pulls back the curtain on the church's doings - but this is far from a simple black and white expose. Spooky, riveting, and utterly believable, HOLY CANDY will keep you reading well into the night. Pressestimmen In **Holy Candy**, Yolande Brener achieves what all memoirs strive for: to reveal strange worlds with mesmerizing insight and lyricism, and to locate the known within them. We may not all have been seduced by cults, but we have all craved the sweet and transcendent. Brener's book offers the mirror of true memoir: a portal through which we find ourselves. Melissa Febos, author of the critically acclaimed memoir **Whip Smart** Get ready for an adventure like no other. Though wildly provocative, **Holy Candy** is also immediately identifiable due to Yolande Brener's honest, graceful narration. This is a beautiful memoir, compelling in every way. Stephanie Elizondo Griest, award-winning author of **Around the Bloc** and **Mexican Enough** Kurzbeschreibung What is the purpose of life? Is there a spiritual world? If there is a God, why does he allow innocents to suffer? The desire to find answers to these questions passed to her on a business card led Yolande Brener to enter a bizarre, 15-year odyssey in a cult that would climax in her participation in one of the largest mass marriages in history.
