Shear EnergyVon carol a rockmanThe author of this book is himself an exemplified power house of energy, love, Spirit and Mysticism. Should the opportunity to attend one of his seminars present itself...run, don't walk. In this book he offers the reader a clear explanation of the underlying principles of Spirit. It's done so with humor, honesty, wisdom and exhuberance. If you have ever challenged, questioned or encountered self-doubt with regard to the presence of Spirit within yourself or others, you will find this book presents a modern, objective non-idealistic view of God. As a former Catholic priest with an extensive background in theology, his intrepretation of liturgy, symbolism, scriptures and Spirit is appealing and simplistic. This book offers practical appication of Spirit energy to every day situations from diet to

business endeavors. Regardless of religious denomination this book promises to be both an enjoyable and empowering read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful resource! Von D.D. Ron's words opened up a very tangible experience of the Holy Spirit for me. It was the start of a lot of healing in my life, both spiritual and physical. I heartily recommend this book.

Kurzbeschreibung Holy Spirit is filled with inspiring information on how to tap into the tremendous power of God. Ron Roth says that anyone who is willing to open their heart, basically having a heart to heart with God, can access a direct line to God's power, the Holy Spirit. He also tells us that Holy Spirit is a boundless energy that can work through you when you truly connect with God through prayer and contemplation. Through prayer you can be filled with the inner knowledge that you were made in God's image, and that your life's purpose is to be used as a conduit for God's healing energy to move unimpeded on Earth. Ron teaches techniques on how to pray in order to be filled with The Holy Spirit. For example, he uses special breathing exercises, to show you how to open your heart and let the Holy Spirit in.
