Von Sheila Walsh : Honestly before purchasing it in order to gage whether or not it would be worth my time, and all praised Honestly:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
HonestVon Broken LambI have just completed reading Honestly by Sheila Walsh. After hearing her CD Hope, it was my hope that this book would be anointed by God to bring healing to those who had gone through something similar to what she had gone through. It was my hope that it would give direction and maybe even some answers to God's silence during times like this. I was able to relate to many notations in her book, because I have spent time looking for

help and have read many of the old classics. Especially Dark Night of the Soul. Many phrases in her book spoke to my heart and let me know that she had been where I am and have been for a long time. Though her writing was honest and she bared her life to her readers, I do not want anyone to be misled that this book offers THE ANSWER. She gave some wonderful recommendations for getting help -- find a Christian counselor, talk to Christian friends, don't shut people out. Sheila Walsh was very fortunate in that she did not feel forsaken or deserted by God. She is very lucky in that she continued to experience God's presence in her life during her time of recovery.0 von 0 Kunden fanden die folgende Rezension hilfreich. A most encouraging bookVon Susan MelkusSheila has given a gift of hope and encouragement to a hurting heart who needs a touch of compassion. I thought this book, next to the Psalms, was as comforting and uplifting as any I've read. Her poetry is nourishment for a hungry soul. Anyone who has been depressed or is experiencing the loneliness of depression now should get a copy and be shown a way to the Light. There is hope for everyone and she also helps us see that though it may look like someone else's life is at a pinnacle, it may not be. Even those "on top of it all" can really be at the bottom. We all need help now and then and should never be embarrassed or afraid of seeking it. Buy it and find a path to healing.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was wholeheartedly wrote. AWESOME book!Von Ein KundeSheila Walsh, is just one of the women, of the Women of Faith tour I saw in Eat Rutherford, NJ in 1998, and really touch my soul. Her simple way and her friendly approach stirred at my soul, and made me motivated to do the Lord's work. I was very impressed with this book, and she really let us into her life with her personal troubles, and how she dealt with them. She taught me from this book never judge a book by the cover. Sometimes, it's on the inside that could be troubling you, and how to bring everything to the Lord. 5 star book!

KurzbeschreibungI know firsthand the desperation a human soul can feel when every earthly remedy fails. I also know how powerfully God can intervene when we fall on our faces before him. Sheila WalshTalented and beautiful, Sheila Walsh seemed to be on top of the world. But behind her public success as a performing artist and talk show host, a private story was unfolding. Unable to cope with the inner turmoil that plagued her, Sheila stepped down as co-host of television's 700 Club to deal with a pain too pressing to ignore. Honestly takes you on a journey past the walls that most of us put up and into the recesses of one woman's heart. With rare grace, Sheila shares the story of her pilgrimagethe journey of a soul as it moved from hopelessness, to honesty, to freedom, and, ultimately, to a life of deepened faith and joy.KurzbeschreibungI know firsthand the desperation a human soul can feel when every earthly remedy fails.
