Von Rod Hundley : Hot Rod Hundley: You Gotta Love It Baby! before purchasing it in order to gage whether or not it would be worth my time, and all praised Hot Rod Hundley: You Gotta Love It Baby!:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent book about Hundley's basketball experiences. Von Jon Kessel (annkes@aol.com) Hot Rod Hundley was the

first player drafted in the 1957 NBA draft. He played six years for the Lakers in Minneapolis and Los Angeles. Following his playing career, Hot Rod has remained active in the sport. He is currently the play by play announcer for the Utah Jazz. Since 1957, he has seen or played with or against almost every great NBA player. In his book, which is basically his basketball autobiography, Hundley analyzes the game and its great and not so great players. Hot Rod Hundley was a showy basketball player; he was fancy and "cool" long before they became essentials in the professional game. His writing is much the same as his game was. His book is a good interesting read. His style is both conversational and informative. He gives his opinions freely and unhesitatingly. He can be lavish with his praise and unsparing with his criticism. If you are a basketball fan or a Hot Rod Hundley fan, you will enjoy this book.

Kurzbeschreibung Rod Hundley announces Jazz games on radio, TV, and cable and he has the unique distinction of being the only announcer in Jazz history. His broadcasting career includes stints with the New Orleans Jazz, Los Angeles Lakers, and the Phoenix Suns. This charming and fascinating biography captures the life and times of one of the most versatile broadcasters in America. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
