**Von Eric Walters : House Party (Orca Soundings) (English Edition)** before purchasing it in order to gage whether

or not it would be worth my time, and all praised House Party (Orca Soundings) (English Edition):

KurzbeschreibungAs the new girl in a strange town, Casey is trying desperately to fit in and make friends. When her parents leave town for the weekend, her friend suggests she have a house party. Casey is reluctant to go along, until she realizes maybe this is the answer to fitting in and making friends -- and getting back at her parents. They invite a few people and then a few more, using msn and text messaging. Hundreds of people show up and things get out of hand. Casey is in more trouble than she thought possible and now she must decide whether -- and how -- to do the right thing.Pressestimmen"A fast-paced story that won't sit on the shelf for long." "An entertaining tale with a real-life lesson...House Party would make an excellent addition to any personal or class library." "Shakes fear in this mother[']s heart but does strike a suitable cautionary note for those tempted to deceive parents and party down."KurzbeschreibungAs the new girl in a strange town, Casey is trying desperately to fit in and make friends.
