**Von Billy Graham : How To Be Born Again (With Built in Study Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How To Be Born Again (With Built in Study Guide):

How to be born again Von Ein Kunde This is a great book even if you already have been born again. Very refreshing and insightful. For me it was a deep read, I had to reluctantly stop every 3 or 4 pages and reflect. I plan to keep this book,

reread it and share it many times. We are so blessed to be touched by Dr. Graham and his ministry.

Kurzbeschreibung Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. *How to Be Born Again* is at once universal and personal, for the new Christian and for the Christian along the way an irresistible primer for finding salvation, a guidebook for continuing growth. Pressestimmen 'Billy Graham at his best...his strength is in his simplicity.' -- Expository Times 'Billy is a doorkeeper who has bidden many enter the Kingdom, and the simplicity of this book will introduce many more. It is really a primer of salvation and anyone who has heard him preach can relive the experience.' -- Baptist Times Pressestimmen 'Billy Graham at his best...his strength is in his simplicity.' -- Expository Times 'Billy is a doorkeeper who has bidden many enter the Kingdom, and the simplicity of this book will introduce many more.
