Von John Del Gaudio : How To Become Fluent In Spanish: Not for Beginners, Not Quick and Easy, but Really Effective (Spanish Books Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Become Fluent In Spanish: Not for Beginners, Not Quick and Easy, but Really Effective (Spanish Books Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good adviceVon CarinaI like these tips and I'm looking forward to applying them to other languages as well. This booklet

was a freebie but I would have been disappointed to spend anything more than a dollar on it. Content value shouldn't be underestimated but not overestimated either.

KurzbeschreibungA No-Nonsense Method for Becoming Fluent In SpanishIf you want to become fluent in Spanish, you need more than immersion and basic Spanish training courses. You need a system for learning Spanish that takes you from beginner to expert to fluent!If you want to become fluent in Spanish, this book is for you!In this best selling book on becoming fluent in Spanish, you will learn:**The Complete Spanish Fluency Training Program**Most people think you need a great Spanish teacher or Spanish immersion program to become fluent in Spanish. While both great teachers and immersion language training can definitely help improve your Spanish speaking skills, many students find that typical courses and short-term immersion experiences are not sufficient to become totally fluent. Sorry, but it's just not that easy to attain fluency. It takes dedication and hard work with the right Spanish learning techniques.**How to Learn Spanish Faster**In this book, the author recommends a Spanish training system that will allow you to learn the language faster and become fluent much more easily by training yourself how to learn the precise skills you need. Is it hard work? Yes, it is. But it's what it takes to become fluent in Spanish.This little guidebook will save you a ton of time and frustration on your journey to becoming a proficient and fluent Spanish speaker.If you think you can become fluent by simply studying a Spanish-English dictionary and taking a few classes, you're mistaken. Mastering Spanish grammar and the spoken language requires a deeper level of understanding and practice. This Spanish language learning system developed by John Del Gaudio was specifically designed to help you master the parts of the language learning process that hold most Spanish students back from speaking fluently.If you're looking for Spanish books on Kindle so you can become fluent, this one is for you!**About The Author**John Del Gaudio received his B.A. in Spanish from SUNY at Stony Brook, and spent his junior year at the University of Puerto Rico studying Spanish language and literature. He has traveled extensively in Latin America and resided in Mexico for four years and two in Colombia. He holds the Basic and Advanced Diplomas de Espaol como Lengua Extranjera. He is a practicing lawyer in Chicago, Illinois, and has been a translator of Spanish legal documents.Whether you're a beginner or seasoned Spanish speaker, this simple system will allow you to achieve fluency faster than ever before. If you want a little guidebook that will save you a ton of time and frustration on your journey to become fluent in Spanish, **How to Become Fluent in Spanish** is the book for you.If you're ready to learn Spanish like a pro, scroll up and click "buy now" to get started.**Kurzbeschreibung**A No-Nonsense Method for Becoming Fluent In SpanishIf you want to become fluent in Spanish, you need more than immersion and basic Spanish training courses.
