Von Emmanuel Aroms : How To Format The Perfect Kindle Book In One Hour: The Ultimate Step By Step Guide To Format Kindle Books Like A Pro (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Format The Perfect Kindle Book In One Hour: The Ultimate Step

By Step Guide To Format Kindle Books Like A Pro (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Instructive but not perfectVon Avid ReaderHaving already published several kindle ebooks I read the book to see if there were any tips I could use to improve my method. There were a couple of things that I may try out and I thank the author for taking the trouble to explain everything clearly, especially how to snip and insert tables. That said, the book contained a few mistakes in language/orthography, which just jump out at me, as I am very visually oriented, and caused me to detract one star.

KurzbeschreibungHow To Format The Perfect Kindle Book In One HourThe Ultimate Step By Step Guide To Format Kindle Books Like A Pro.This book will help you end the Kindle book formatting nightmares. This book is about how to format your Kindle books perfectly. Kindle book formatting can be hard work.
