**Von Kat Duncan : How to Handle Details: A Writer's Guide (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Handle Details: A Writer's Guide (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. hervorragendVon peEins der besten Bcher zum Thema. Wissensreich, intelligent, inspirierend. Ein unschlagbares

PreisLeistungsverhlnis. Man lernt hier mehr als in mhreren Seminaren. Einfach nur begeisternd!

KurzbeschreibungThe look and feel of your story world should include the kinds of details that can resonate with many different kinds of readers. With the information in this book you can learn more about those important details and how to use them to reflect your theme and message. Details are what this book is all about. When you are finished reading this book you will be able to immediately apply the strategies and techniques from this book in your writing. The examples and thorough explanations will guide you through eye-opening techniques that will build your toolbox of writer's skills whether you are prepublished or already on the cybershelves and bookshelves.
