KurzbeschreibungHow do you heal a broken heart? Its a question Stephanie has been asking herself over and over

again lately. From the second she met Rich, Stephanie fell hard. Sure, she got a little too attached to the relationship, and sure she started to neglect some important parts of her life. Likeoh, her family, her friends, and school. Its okay, though, because she has Rich, right? Wrong. Out of nowhere, Rich breaks up with her. Suddenly, Stephanie finds herself completely alone. She has no one to turn to, and all she wants to do is shut down and hide. But thats impossible. Because at the worst time, all of her past secrets are coming to the surface. Not to mention that the most popular, and possibly most annoying, boy in school keeps popping up where ever she goes. Can Stephanie figure out how to get over her broken heart once and for all and figure out how to love again? Find out in How To Heal A Broken Heart by Kels Barnholdt.
