KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly recommendable!Von Rachel NewmanJust what I was looking for! Finally an "All-in-One", covering all bases of

performance. Highly recommendable. Read it in one night. I'm excited to apply some things in my next stage performance.

KurzbeschreibungDo you need to speak, perform, sing or act on stage, or in front of an audience? Then this book is for you. This book is a concise exploration of the history of theater, and, its applications for today's presentation/performance situations. It examines your responsibilities and activities within the entertainment industry environment, from research to performance.KurzbeschreibungDo you need to speak, perform, sing or act on stage, or in front of an audience?
