Outstanding Book!Von Troy EdwardsI have bought dozens of these books and have given them away to others, especially those who have had struggles in their walk. In one of several incidents I could relate if I had space, one man who visited our church was really struggling and he looked down and haggard. I counseled with him and told him to

read this book. A few months later while attending a service at another church, someone walked up to me but I did not recognize the person. He explained to me that he was the man I gave this book too. He said that the book changed his life. I did not recognize him because he had the joy of Christ beaming all over him whereas a few months ago he looked terrible. Although he did not stay at our church, praise be to God that this man is serving the Lord. I highly recommend this book.

Kurzbeschreibung I HAVE for years felt the need of a book to put in the hands of those beginning the Christian life that would tell them just how to make a complete success of this new life upon which they were entering. I could find no such book, so I have been driven to write one. This book aims to tell the young convert just what he most needs to know. I hope that pastors and evangelists and other Christian workers may find it a good book to put in the hands of young converts. I hope that it may also prove a helpful book to many who have long been Christians but have not made that headway in the Christian life that they long for.

ber den Autor und weitere Mitwirkende Reuben Archer Torrey (1856-1928) is respected as one of the greatest evangelists of modern times. Several years after his graduation from Yale Divinity School, he was selected by D. L. Moody to become the first dean of the Moody Bible Institute of Chicago. Under his direction, Moody Institute became a pattern for Bible institutes around the world. Dr. Torrey spent the years of 1903-1905 in worldwide revival campaigns, winning thousands of souls to Jesus Christ. He continued worldwide crusades for the next fifteen years while he served as the dean of the Bible Institute of Los Angeles and pastored the Church of the Open Door in that city. Torrey longed for more Christian workers to take an active part in bringing the message of salvation through Christ to a lost and dying world. His straightforward style of evangelism has shown thousands of Christian workers how to become effective soulwinners. He is the author of many books including "Why God Used D. L. Moody" and "How to Succeed in the Christian Life". Both available through CrossReach Publications
