Commitment to the Small-Church Pastor Von Rod Crawford@Earthlink.net Steve Bierly does an excellent and

proficient job of expressing the very unique and strategic struggles that the Small-Church Pastor encounters. Bierly uses a wealth of experience and illustrations any Small-Church Pastor (or anyone associated with Ministry) would instantly recall as a "me too" experience. Because of the subject matter, there is a great deal of emotion that happens between the writer, the Spirit of God and the reader. Ultimately, the book accomplishes a chief objective as A Guide to Spiritual and Emotional Well-Being [for the Small-Church Pastor]. I've already ordered [from] and had a copy of this book shipped to another Pastor friend of mine.
