Klasse Buch fr ReisefansVon Anna HopfingerSuper Buch mit vielen Anregungen, welche Optionen es beim Reisen noch gibt und was man ausprobieren knnte. Liest sich sehr gut und ist ziemlich kurzweilig. Kann ich jedem Reisefan empfehlen, auch wenn er/sie schon viel Erfahrung hat.

Kurzbeschreibung "I wish I could travel more, but I simply can't afford it!" - how many times have you said this to yourself? Good news - traveling doesn't have to be expensive! "How to Travel the World on a Budget" will teach you you how you can save money on flights, accommodation, transport, food and entertainment, and travel for less than you ever thought possible. Interested?It doesn't matter whether you want to Greece for two weeks, travel in SE Asia for six months, or wander around the globe for years - you can do it, and this book will show you how!Kurzbeschreibung "I wish I could travel more, but I simply can't afford it!" - how many times have you said this to yourself?
