Grundlagen für Anfänger Von Vio Miranda Everists Buch "How to Write a Book" hätte ich persönlich eher "How to Write Your First Book" genannt, da es vor allem die Grundlagen des Bcherschreibens vermittelt. Dennoch finde ich es erstaunlich, wie viele Informationen die Autorin in ihrem nur 21 Seiten kurzen Ratgeberbuch untergebracht hat. Nachdem sie zunächst die Basics erklärt, "entscheide Dich für ein Thema", erstelle eine "Concept Map" und "organisiere Deine Informationen" gibt sie Tipps wie "nimm Dir feste Schreibzeiten vor", "vermeide Ablenkungen" oder "setze Dir kleine Ziele". Danach geht sie näher auf die einzelnen Themen ein. Angehende Autoren sollen sich die Fragen: "Was interessiert mich?" und "Auf welchem Gebiet besitze ich Wissen, dass auch andere Menschen interessieren könnte?" stellen und recherchieren, welche Themen immer populär sind und welche Themen aktuell sind. Wer ein Buch mit vielen persönlichen Erfahrungen schreibt, soll sich für jedes Kapitel ein Outline erstellen, nach Objektivität streben, nicht auf Rache aus sein und seine eigenen Gedanken und Gefühle nicht zu detailreich zu schildern. Als ebenfalls wichtig erachtet es die Autorin, sein Zielpublikum zu kennen. Fazit: Ein kurzes, übersichtliches Buch mit den Grundlagen des Bcherschreibens für Anfänger

Kurzbeschreibung How to Write a Book Download This Great Book Today! Read On Your Computer, MAC, Smartphone, Kindle Reader, iPad, or Tablet! Everyone has a book inside of them. Unfortunately, for many reasons, most people never give writing a shot! Especially today, writing and publishing a book is easier than ever before! Literally anyone can publish a book online, all they need to do is begin writing. Don't worry if you've never attempted to write a book before, this guide will be able to help you!
