Best little writing book availableVon Sue Oleson"How to Write a Great Story" works for both fiction and creative nonfiction. Othello Bach teaches how to write to actually PUBLISH,in easy to understand examples and exercises. This is more specific and helpful information than any book or class I have ever taken in writing. This book has become my 'bible' for writing and is constantly at my side. I use it to line edit my past work as well as a guide for new work. Ms. Bach graciously answers my questions on her email.
