Von Vio
Durch diesen kurzen Ratgeber habe ich zwei Dinge gelernt: Erstens, mir in einem kurzen Satz zu notieren, worum es bei meinem Schreibprojekt geht. Diesen einen Satz habe ich mir als eine Art Titel auf jede neue Seite geschrieben, um beim Schreiben nicht abzuschweifen, sondern mich auf mein jeweiliges Thema zu konzentrieren. Zweitens, die Ergsse meiner "Cluster" und "Mind Maps" in Inhaltsangaben umzuwandeln. Jeder, der beim Schreiben mit Clustern, Fischgrtengrafiken und Mind Maps arbeitet, wei wovon ich spreche. Ein Cluster zu erstellen, ist einfach, doch wenn es ans Schreiben geht, konnte ich bisher nicht viel damit anfangen. Das Blatt mit dem Cluster beziehungsweise der Mind Map lag eine Zeit lang in der Nhe des Computers, ich schob es mal hierhin, mal dorthin, bis ich es schlielich irgendwo verstaute, sodass es mir erst recht nicht mehr nutzte. Tom Matosevic rt dazu, die einzelnen Gedankenstrnge der Mind Map mit verschiedenfarbigen Stiften zu markieren und seine Ergsse als lineare Inhaltsangabe niederzuschreiben. Dadurch dauert zwar die Vorarbeit lnger, dafr ist das Projekt bersichtlich. Gliedert man es und unterteilt die einzelnen Punkte in Kapitel, kann man sich direkt ans Schreiben machen, ohne die Gefahr, dass man sich verzettelt oder wichtige Punkte vergisst. Ansonsten gibt der Autor Ratschge, die hinlnglich bekannt sind; etwa, bei jedem Projekt die fnf W-Fragen zu stellen (Wer?, Was?, Wo?, Wieso? und Warum?), an die eigenen Fhigkeiten zu glauben und sich anzugewhnen, flssig und leserfreundlich zu schreiben.

Kurzbeschreibung
Why do things the hard way? Do you need to write an essay or write a report and can't get started? Read the 3 Steps. Writer's Block or struggling with content? The 3 Steps and 1 Rule will help. Worried your writing needs more polish...or maybe your essay won't make the grade...or report won't impress the boss? The 7 Habits are your answer. You will find the 3 Steps, 1 Rule and 7 Habits indispensable for fast effortless writing, regardless of whether you write for pleasure or have had the task of writing an essay or report thrust upon you. Maybe you have set yourself the goal of writing an ebook for Kindle? How to Write Made Easy will make the whole writing process fast and effortless. I know, sometimes writing doesn't come easy, but don't blame yourself. You have been lead to believe that writing is all about 'inspiration' and that you have to wait for inspiration to strike. It's a lie! There is a simple technique that will get you up and writing in no time. You'll never have to wait for inspiration again once you learn the technique and add the Steps and Habits. Ok, that's a lot to promise from a short guide. However, it only takes an instant to motivate someone, and a second to point someone in the right direction - that's what How to Write Made Easy is all about. It points you in the right direction, tells you the quickest route and easiest way to travel, then fires the Starter's Pistol to get you on your way. So scroll up and hit the download button now...you will instantly receive your copy of How to Write Made Easy (thanks to the benevolence of). It won't take long to read through the entire guide, but the lessons you learn will last a lifetime.
