A Must Read for New Christians Von Ein Kunde I found this book to be very thought provoking, as well as very informative. I wish I had read a book like this 15 years ago! Very easy reading and, in my opinion, a strong explanation of what is need to make it to eternity with God.

Kurzbeschreibung "Be wrong about social security, be wrong about baseball, be wrong about your career choice, but dont be wrong about where you will spend eternity." How You Can Be Sure You Will Spend Eternity with God its a big promise, but this short book delivers. It answers a host of questions, such as: Will good deeds help me get into heaven? Who goes to heaven and who doesnt? What role do I have in my own salvation? Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel applicable to the skeptic, newly saved, and long-time believer alike.
