**Von Brandon Stanton : Humans of New York (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Humans of New York (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. Das Buch ist wunderschnVon Marc FEin Klasse-Buch fr jeden New York Fan.Aber auch fr Menschen, die einfach ein Interesse an anderen Menschen haben ist dieses Buch sehr zu empfehlen.Hier hat der Autor wirklich gute Arbeit geleistet und die Auswahl der Bilder ist sehr gut.Man begibt sich auf eine emotionale Achterbahnfahrt und es wird schwer, das Buch wieder aus der Hand zu legen. :)0 von 1 Kunden fanden die folgende Rezension hilfreich. Great book to let kids see and imagine the lives of kids from lots of ethnic backgrounds.Von SjgregorThese HONY books are amazing! I wish the paper on this book was a tad bit thicker, because my 3 year old loves looking at it, and the pages are showing that.1 von 1 Kunden fanden die folgende Rezension hilfreich. Beautiful and heartwarming book about kids for kidsVon Helpful AdviceLittle Humans written and photographed by Brandon Stanton is new work from

author of Humans of New York work with which again Stanton managed to deliver much more than collection of beautiful photos. For those unfamiliar with Brandon Stanton, he is the man who became popular soon after starting his project of photographing nearly every person in New York City. After walking all across the Big Apple taking pictures of its inhabitants, he began publishing them on his blog Humans of New York which became very popular and resulted with book bearing the same name. In his latest work Stanton again manages to inspire and please reader with his charming book full of beautiful photos which show numerous kids, boys and girls, of all races and religions from all the New York big and small providing inspiration for children to be happy and strong, intelligent and playful, doing things bigger than themselves. Therefore, Stanton's Little Humans besides being beautiful and heartwarming book to browse through will be also beneficial for young readers who will not have problems reading the text made specifically for them.

**Kurzbeschreibung** A Number One New York Times bestseller, Humans of New York began in the summer of 2010, when photographer Brandon Stanton set out on an ambitious project: to single-handedly create a photographic census of New York City. Armed with his camera, he began crisscrossing the city, covering thousands of miles on foot, all in his attempt to capture ordinary New Yorkers in the most extraordinary of moments. The result of these efforts was Humans of New York, a vibrant blog in which he featured his photos alongside quotes and anecdotes. The blog has steadily grown, now boasting nearly a million devoted followers. Humans of New York is the book inspired by the blog. With four hundred colour photos, including exclusive portraits and all-new stories, and a distinctive vellum jacket it is a stunning collection of images that will appeal not just to those who have been drawn in by the outsized personalities of New York, but to anyone interested in the breathtaking scope of humanity it displays. Heartfelt and moving, Humans of New York is a celebration of individuality and a tribute to the spirit of a city. **Pressestimmen** There's no judgment, just observation and in many cases reverence, making for an inspiring reading and visual experience. (Publishers Weekly (starred review) on Humans of New York) Some street photographers hide behind phone booths like paparazzi so their subject won't be aware of their presence, but for Stanton it's precisely that awkward interaction, the tearing down of the wall between strangers, that he covets. (The Huffington Post on Humans of New York) **Werbetext** Number One New York Times bestselling photography book
