Von Kimberly Greene Angle : Hummingbird before purchasing it in order to gage whether or not it would be worth my time, and all praised Hummingbird:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooMarch Anne Tanner has grown up on a watermelon farm in Jubilee, Georgia, raised by her grandma, Grenna, and her father. She doesn't know too much about her ancestors, or rocks, or what to do when Grenna suffers from a heart attack.The only thing she knows is watermelons. But she soon learns that not

everything is expected and sometimes, those things you don't think matter, matter most. Though you may think so from the summary and title, HUMMINGBIRD is not all about watermelons or even hummingbirds. It's about life, love, loss, and friendship. It's about learning about other people to recognize who you really are. It's a novel that I absolutely loved with one exception - it drags in the middle. Despite that, though, I definitely recommend it. Reviewed by: Harmony

Kurzbeschreibung Twelve-year-old March Anne Tanner's life is tied to the simple rhythms and cycles of the watermelon farm in Jubilee, Georgia, that she has grown up on. Thanks to Grenna, her grandmother and surrogate mother, March Anne has learned everything she needs to know about seeds, vine pruning, and harvesting melons and pumpkins. And although Grenna has tried to teach March Anne about her ancestors, March Anne has always been uncomfortable with the family name she's been given and doesn't like. And so, in secret meetings deep in the woods, March Anne and her two best friends form the Pseudonymphs, whose names change with the seasons. When Grenna suffers a heart attack, March Anne must face an uncertain future and confront her past. In the middle of it all, a ruby-throated hummingbird decides to winter at the Tanners' and becomes a source of delight and inspiration as March Anne prepares for Grenna's passing and journeys toward self-acceptance. This sweet and tangy debut introduces a memorable cast of characters who come to learn that grace can abide within and beyond the realities of pain and loss. Pressestimmen "This debut novel tenderly portrays the cycle of life with its attendant joy and grief from the perspective of a down-to-earth heroine." Kirkus s
