Von **GUILLEM MARCH, PAUL LEVITZ** : **Huntress: Crossbow at the Crossroads** before purchasing it in order
to gage whether or not it would be worth my time, and all praised Huntress: Crossbow at the Crossroads:

KurzbeschreibungAs the last survivor of a crime family eliminated by bloody rivalries among the mobs of Gotham City, the orphaned Helena Bertinelli grew into the mysterious vigilante known as the Huntress. Huntress creator, Paul Levitz, returns in this action packed journey through the bowels of Italy's most deadly crime syndicates. Huntress sets out to uncover and destroy a deadly human trafficking and gun-smuggling operation that extends to the highest reaches of the government.
