**Von Jesse Lyman Hurlbut : Hurlbut's Story of the Bible for Young and Old: A continuous narrative of the Scriptures told in one hundred sixty-eight stories (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hurlbut's Story of the Bible for Young and Old: A continuous narrative of the Scriptures told in one hundred sixty-eight stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy to

read. Got an A in college Bible because of it. Von D.J. Stephenson (jrs97t@timon.acu.edu) I read it when I was 7 years old. The best birthday present I ever got. I couldn't put it down because it was so interesting. It taught me the chronological order of all the patriarchs and prophets of the Old Testament in a way that made it go into long term memory. Years later, I took an "Introduction to the Old Testament" course my freshman year of college. Ninety-five percent of what I needed to learn for that course I already knew because of reading "Hurlbut's Story of the Bible" when I was 7. I got an A in the course! When my two children came along, I let them read "Hurlbut's Story of the Bible", and they have both gotten A's in freshman Bible class at their colleges. In summary, it is easy to read, is interesting to read, is written in chronological order, goes into long term memory, and is my top recommendation for the best Bible story book to give to children. 0 von 0 Kunden fanden die folgende Rezension hilfreich. this book is easy and comprehensive for young folks Von Ein Kunde A copy of this book has been in my family since 1932. My grandmother read it to my father, my father to his sons and I to my sons and now to my grandchildren. I find the format that was used by the author to be as timeless as the subject. As a child I loved listening to my father read this to us and I know my grandchildren love hearing it read to them. The explanation of the meanings of words, the simplistic use of definitions helps us all to understand and picture what is often difficult to understand in the Bible. This is an excellent book for the whole family. I recommend it highly. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Best Comprehensive Bible "story book" I've Ever Read Von William Hurlbut's Story of the Bible was the first and best comprehensive "Bible story book" I read and re-read. As an adult it remains my favorite and now I am sharing it with my own children. Hurlbut's tells all the stories you remember from Sunday School as well as many that you may not know. It explains with clear and exciting language that is simple enough for children but also interesting for adults. It is almost like reading a thrilling novel, you can hardly wait to find out what happens next. I cannot recommend it enough.

Kurzbeschreibung Originally published in 1904 and dedicated to the young people of America, this is the complete Bible story, including the Old Testament and New Testament, told in simple, everyday language for young and old. 168 Bible stories, each complete in itself, and together forming a continuous narrative of the Holy Scripture. NOTE: The original physical edition of this book includes illustrations; however, they are not included in this Kindle edition. CONTENTS PART I. Stories from the First Five Books in the Bible PART II. Stories of Joshua and the Judges PART III. Stories of the Three Great Kings of Israel PART IV. Stories of the Kingdom of Israel PART V. Stories of the People and Kingdom of Judah PART VI. The Story of Jesus PART VII. Stories of the Early Church Sample passage: It must have been a great change in the life of Moses, after he had spent forty years in the palace as a prince, to go out into the wilderness of Midian, and live there as a shepherd. He saw no more the crowded cities, the pyramids, the temples of Egypt, and the great river Nile. For forty years Moses wandered about the land of Midian with his flocks, living alone, often sleeping at night on the ground, and looking up by day to the great mountains. He wore the rough skin mantle of a shepherd; and in his hand was the long shepherd's staff. On his feet were sandals which he wore instead of shoes. But when he stood before an altar to worship God he took off his sandals. For when we take off our hats, as in church or a place where God is worshipped, the people of those lands take off their shoes, as a sign of reverence in a sacred place. About the author: Jesse Lyman Hurlbut (1843-1930) was an American clergyman and the author of more than ten books, including Studies in Old Testament History, Studies in the Four Gospels, and From Saul to Solomon.
