I Amber Brown is a BlastVon Ein KundeI have read other Amber Brown books and looked forward to reading this one. She is pretty cool. Sometimes I think she has more brains than the adults, especially her mom, who sometimes seems very spoiled and selfish for an adult. This is a funny true to life on target book. If you haven't discovered Amber Brown,

this is the one.0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book!Von Ein KundeI bought this book for my daughter to read during X'mas break. KurzbeschreibungAmber Brown loves the holidays. The shopping, the wrapping, the unwrapping. She isn't having any troubles with gifts, but life is another story. She's so happy when her dad has moved back to New Jersey, but her mom isn't. It means the beginning of shared custody, and that means more fighting. Amber feels as if half of her belongs to her mom and half belongs to her dad, and that doesn't feel good at all.Then her mom says she can't get her ears pierced, but her dad doesn't know that. Amber makes a decision. Something has to belong to her, so why shouldn't it be her ears?Full of the fun, humor, and punny dialogue Paul Danziger's famous for, this is a winning entry in the ever popular series.KurzbeschreibungAmber Brown loves the holidays.
