Informative, educational, philosophical and very funnyVon -KundeI really enjoyed reading this book. It is very informative and educational. As a non-native speaker, I learnt a lot about the English language and it is very funny, with lots of jokes and funny anecdotes.I can recommend this book to people who are interested in the history of English and where words come from. There are also a lot of very interesting philosophical questions which the writer

asks, in a very amusing way.0 von 0 Kunden fanden die folgende Rezension hilfreich. FunnyVon MaxiEin berzeugter und erfahrener Pädagoge war hier am Werk. Empfehlenswert für Leser ab der Stufe B2, bekommt dieser viele Informationen und Inspirationen.
