have never met him. I think he is a beautiful poet and a great writer. I picked this book to read for my class IRA reading assignment. In my english class we have to read a nonfictional book. I really hate reading nonfictional books so I took it upon myself to find a nonfictional book about what I was interested in and this fit the category. Smokey is witty, funny, romantic, and an all well rounded person. I recommened this book to read if your feeling down or would like some inspiration.
