India Interesting! Von SebastianMNach "My Exile Lifestyle" ein weiteres Buch von Colin, das es schafft interessante Denkanstöße, Perspektiven und Erfahrungen in einer gut-geschriebenen, lustigen Art und Weise zu vermitteln. Besonders für Leute, die ihn bereits "kennen" ein Muss. Der Rest wird überrascht und unterhalten sein. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das beste und für mich bisher einzige Buch vom Autor, das meine Erwartungen erfüllt. Von Johannes Meichsner Mit Abstand das beste Buch von C. Wright. Erfüllt die Erwartungen, inspiriert sehr und liest sich sehr gut. Roman, keine Ansammlung von losen Geschichten.

Kurzbeschreibung An unexpected relationship turns into an unconventional adventure, as full-time traveler Colin Wright falls for an Icelandic girl who tests his ideas about relationships and becomes a partner-in-crime across three continents. From Reykjavik to Kolkata to the vast highway system of the United States, the duo find themselves on Bollywood sets, working communal farmsteads, and out on the town with pickup artists, all the while trying to figure out what an ideal relationship might look like, and if such a thing is even possible; especially in one with a deadline.
