Von Alfred Tennyson, Baron, 1809-1892 Tennyson : Idylls of the King before purchasing it in order to gage whether or not it would be worth my time, and all praised Idylls of the King:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Books like this are the reason we learn to readVon Ein KundeThis is the story about Arthur and the tales of Camelot. Obviously. But for those of you who don't know more than what you've seen on TV or the movies, read this book. Read about Balin and Balan, read about Elaine, read about Guenivere. It's so much more fulfilling to search them out and to find them, than to have someone splash their character on a screen for you. My favorite stanza in the entire

book is when Arthur talks about commitment. Commitment to his cause, to life, to God, to everything: "Arthur sat Crown'd on the dais, and his warriors cried, 'Be thou the king, and we will work thy will Who love thee.' Then the King in low deep tones, And simple words of great authority, Bound them by so strait vows to his own self That when they rose, knighted from kneeling, some Were pale as at the passing of a ghost, Some flushe'd, and others dazed, as one who wakes Half--blinded at the coming of a light."Awesome isn't it?0 von 0 Kunden fanden die folgende Rezension hilfreich. Unverzichtbarer klassikerVon beowulfIch bin ein grosser fan von king arthur und den geschichten von der tafelrunde. Das verborgene juwel "Idylls Of The King" liebe ich solange ich denken kann. Es gehrt mit zu den wichtigsten erzhlungen um den legendren knig. Umso mehr freue ich mich jetzt ber diese kleinformatische "taschenbuchausgabe", die man bequem berallhin mitnehmen kann.....0 von 1 Kunden fanden die folgende Rezension hilfreich. Casual readers BEWAREVon James JohnsonAlthough this is one of the best piece of Arthurian literature available to us today, it is certainly not for the casual fan more familiar with "Once and Future King" and the like. The poetry format is somewhat difficult to read, and requires a fair amount of patience to get through the entire book.Honestly, if not for a class I was reading it for, I probably would not have been able to finish it. I would recommend it, but only to the more sophisticated and well-read fans of King Arthur.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books Seriesber den Autor und weitere MitwirkendeAlfred Lord Tennyson (1809a1892) published his first two volumes of poems in 1842, establishing him as the leading poet of his generation. He is buried in Westminster Abbey. Christopher Ricks is Warren Professor of Humanities and codirector of the Editorial Institute at Boston University. He is the editor of six poetry collections, including "The Oxford Book of English Verse,"
