Von Carole P. Roman : If You Were Me and Lived in... Greece: A Child's Introduction to Cultures Around the World (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised If You Were Me and Lived in... Greece: A Child's Introduction to Cultures Around the World (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Eine groartige Einführung in die griechische Nation und ihrer Rolle in der Geschichte Von Charles Ashbacher Erneut Carole Roman schafft es eine enorme Menge an Informationen über ein anderes Land in 28 Seiten mit Text und Bildern zu packen. Griechenland wird zu Recht als die Wiege der Demokratie und die Olympischen Spiele und den Lehren von Sokrates, Platon und Aristoteles bilden die Grundlagen der Philosophie und Logik, wie sie heute gelehrt werden. Die allgemeine Struktur von Text auf einer Seite und ein entsprechendes Bild auf der anderen Seite. Sanfte Farben werden verwendet, um die Bilder zu erstellen, gibt es keine hellen Farben, um die Augen zu überblenden. Die Höhe des Textes ist ungefähr mit einem ersten Sortierer, aber ist einfach genug, so dass kleine Kinder in der Lage sind, es zu verstehen, wenn sie gelesen wird. Der junge Leser erfährt ein paar griechische Wörter für Dinge, die sie kennen, wie zum Beispiel die Wörter für Mutter, Vater, Großmutter und Großvater. Amerikanische Kinder über andere Kulturen lernen müssen, ist die moderne Welt so praktisch flach, dass fast alle Kinder unter sechs Jahren haben ihr Leben dramatisch durch die

Ereignisse in anderen Ländern und einem großen Prozentsatz entweder besuchen Sie ein anderes Land oder greifen in eine direkte Geschäftspraxis ein, die in einem anderen Land stattfindet. Deshalb, je mehr und je früher sie über andere Länder, desto besser ihre allgemeine Bildung werden wissen. Dies ist eine hervorragende Ressource für multikulturelle Studien im Allgemeinen und Griechenland im Besonderen. Dieses Buch wurde kostenlos zur Überprüfung und zur Verfügung gestellt.

Kurzbeschreibung: It's never too early to start teaching children about the world around them. In *If You Were Me and Lived in Greece*, early learners get a taste of what their life would be like if they lived in Greece while being introduced to the birthplace of democracy. This book is the latest installment of the educational series about the cultures of the world that speaks to young children about the topics that interest them, such as the foods people eat, the names of boys and girls, and the activities that children their age living in a foreign land are likely to engage in. This exciting visit to Greece also introduces the important concept of democracy to children and highlights some of the other cultural contributions that Greece has made to Western civilization. Basic information is offered in a playful way that won't overwhelm children.
