2 von 2 Kunden fanden die folgende Rezension hilfreich. Eine weitere hervorragende Ressource für frühen elementaren multikulturellen Studien
Von Charles Ashbacher
Wieder einmal hat Roman eine ausgezeichnete Kinderbuch in multikulturellen Studien geschrieben. In diesem Fall schreibt sie über die afrikanische Nation von Kenia, eine ehemalige britische Kolonie, wo der Einfluss ist immer noch in der Währung und dem Nationalsport Cricket gesehen.
Einige der am häufigsten verwendeten Wörter, wie sie für die Mutter und der Vater von Kindern gesprochen werden, in der Massai-Sprache. Der Leser wird auf ein paar der beliebtesten Lebensmittel, Sehenswürdigkeiten in Kenia und das, was Kinder dort zum Spaß eingeführt. Der Fluss des Textes ist sehr glatt und die dazugehörigen Abbildungen sind sanft gezeichnet, so dass sie leicht für die Augen. Ein Aussprachelehrer zu den schwierigsten Wörtern wird auf der letzten Seite enthalten.
Da die Menschen in der Welt wachsen stärker voneinander abhängig, ist es zu jedermanns Vorteil, dass junge Schulkinder lernen die Menschen in anderen Ländern. Dieses Buch ist eine

hervorragende Einführung in Kenia für Kinder im frühen Grundschulalter. Dieses Buch wurde kostenlos zur Überprüfung
Zwecke zur Verfügung gestellt.

Kurzbeschreibung Let's travel to Kenya! Number five in this exciting series travels to Africa to learn about the thrilling country of Kenya. This extraordinary book "If You Were Me and Lived in...Kenya- A Child's Introduction to Cultures Around the World" explores life for children on a new continent. The book touches on many familiar topics such as names, money, games, and food as well as the sites and sounds that come with living in Africa. Embraced by educators, parents, and children, the series gently and respectfully introduces the subjects of cultures and customs around the world. On "If You Were Me and Lived in...South Korea": "Roman has proven her skill at writing children's books with her Captain No Beard series, as well as with the other volumes in her cultural series. If you were me and lived in ...South Korea uses a technique of speaking directly to the child reading or listening, similar to Laura Numeroff's If You Give a...series. This strategy is well suited to a book about foreign cultures as it gives little imaginations a boost by helping children envision themselves growing up with customs and traditions different from the ones they're familiar with..." Peter Dabbene ForeWord s Clarion On "If You Were Me and Lived in...France": "It is the simplistic and positive way that Roman, a former social studies teacher, delivers the text, that makes this series appealing-the books are short and to the point and just what you want when you're introducing geography and culture to the youngest reading set." Bianca Schulz-The Children's Book review.
