Igbo idiomsVon Patrick AudleyIdiomsAs we know, it is not everybody that is able and talented to speak in idiomatic expressions in any given language. Idioms are a deeper aspect of any language is not commonly spoken hence anybody who person who possesses the capacity to speak or write in idioms is great dedicated endeavor. For those persons who are interested in Igbo language and culture this book is a true source. This book is highly recommended.

And to Mark, thank you for your work and effort. Patrick K. Audley
