Von Tim Teeman : In Bed With Gore Vidal (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Bed With Gore Vidal (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. ReierischVon MarcoSo wie man Gore Vidal kennt, darf man auch hier nicht alles fr bare Mnze nehmen, der Herr hatte auf jeden Fall ein aufregendes Leben und groe Freude, davon zu erzhlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein gelebtes Leben mit Fragezeichen.Von TrevorNicht nur der Sex mit Mnern, jungen Mnern,

wird hinterfragt, sondern auch der wache Intellekt wird anschaulich beschrieben. Dem Autor ist etwas gelungen, was Gore Vidal nicht hätte besser machen können.

Kurzbeschreibung Gore Vidal claimed there was no such thing as gay, only gay sexual acts. But what was the truth about his sex life and sexuality and how did it affect and influence his writing and public life? With *In Bed with Gore Vidal: Hustlers, Hollywood, and the Private World of an American Master*, Tim Teeman interviews many of Vidal's closest family and friends, including Claire Bloom and Susan Sarandon, as well as surveying Vidal's own rich personal archive, to build a rounded portrait of who this lion of American letters really was away from the page. Here, revealed for the first time, Teeman discovers the Hollywood stars Vidal slept with and the reality of his life with partner Howard Austen and the hustlers they both enjoyed. Was Gore's true love really a boy from prep school? Was he really, as he said, bisexual, and if so how close did he really get to marrying women, including Claire Bloom and Joanne Woodward? And if Vidal really was gay, why did he not want to say so? Did his own sex secrets underpin a legal fight with adversary William F. Buckley, still being played out after his death? Much as Vidal fought against being categorized, Teeman shows how he also proved himself to be a pugnacious advocate for gay sexual freedom in his books, articles, and high-profile media appearances. Teeman also, for the first time, vividly and movingly evokes the final, painful and tragic years of Vidal's life, as he descended into alcoholism and dementia, his death, and the bitter, contentious legacy he has left behind.
