**Von Tulku Thondup : Incarnation: The History and Mysticism of the Tulku Tradition of Tibet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Incarnation: The History and Mysticism of the Tulku Tradition of Tibet:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Erstmals

eine umfangreiche Erklärung zu diesem Thema! Von Gerhard Geisler Tulku Thondup gelingt es, wie schon in seinem epochalen Buch "The Practice of Dzogchen" von Longchen Rabjam, komplexe Gegebenheiten des Tibetischen Buddhismus, in einem logisch verständlichen Kontext darzustellen. Wer sich schon des öfteren gefragt hat, wieso manche Tulkus (inkarnierte Lamas) gar allzumenschliche Züge aufweisen, während andere dem zu erwartenden Ideal sehr wohl entsprechen, bekommt hier eine profunde Antwort, die nachvollziehbar ist. In der Menge immer mehr neu erscheinender Bücher über den Buddhismus, ist Tulku Thondup, eine Inkarnation aus dem Dodrupchen Kloster seiner Heiligkeit des IV. Dodrupchen Rinpoche, eine gute Adresse authentische, lesbare und auch spannende Bücher zu erwerben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das Buch ist sehr aufschlussreich! Von Margrit So weiss man mehr über die Ernennung bzw. Art der Tulkus! Ach die am Schluss gegebene Meditation ist sehr wertvoll!

**Kurzbeschreibung** A tulku is a fully enlightened one (buddha) or highly accomplished adept (siddha) who chooses to be reborn again and again for the benefit of all beings. Most tulkus, though, are the rebirths of well-trained masters who are engaged in spiritual training and serving others. Tibetan Buddhists have, for well over a millennium, been meticulously following the tradition of finding, recognizing, enthroning, training, and venerating these revered figures who provide teachings of liberation for both monks and laypeople. This guide to the tulku tradition covers its long history, separating fact from fiction, giving an overview of how the system works, and providing short biographies of some of the great tulkus of the past and present. Included are accounts of the magical occurrences that are associated with these remarkable beings, and advice for how anyone can set out on the tulku path.

**Pressestimmen** "For the first time ever, the principle of tulkus, or incarnations such a vitally important part of the Buddhist tradition of Tibet is explained with exceptional clarity and in fascinating detail. A jewel of a book from Tulku Thondup Rinpoche, one of our best living writers on Tibetan Buddhism." Sogyal Rinpoche, author of The Tibetan Book of Living and Dying
