Von Dori Hillestad Butler : M Is For Minnesota before purchasing it in order to gauge whether or not it would be worth my time, and all praised M Is For Minnesota:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Minnesota is a great place... Von Ein Kunde... to live or to visit. The artwork and accompanying paragraphs clearly define what Minnesota is all about. Written for young people, it's a great gift for grownups as well. No wonder it's popular at da U.

Kurzbeschreibung Illustrated entries for each letter of the alphabet present information about the history, geography, natural resources, and important sights of Minnesota. Kurzbeschreibung Illustrated entries for each letter of the alphabet present information about the history, geography, natural resources, and important sights of Minnesota.
