gedruckt, die Normalausgabe ist Made for Goodness: And Why This Makes All the Difference Desmond Tutu ist Nobelpreisträger und hat jahrzehntelang Widerstand gegen das Apartheidregime geleistet. Insbesondere die von ihm vertretenen Wahrheitskommissionen haben Bahnbrechendes zur Versöhnung in Sdafrika geleistet. Dieses Buch hat er zusammen mit seiner Tochter Mpho geschrieben, wobei der Hauptbeitrag von Desmond stammt und er in Ich-Form schreibt. Das Buch ist in religiöser Sprache verfasst und ständig kommt das Wort "Gott" vor, aber dennoch hat Tutu klare Vorstellungen über die Welt. Seine Vorstellungen über den Sinn des Menschseins formuliert er anhand zahlreicher Beispiele insbesondere aus dem Antiapartheidkampf. Tutus Argument ist, dass Menschen ein natürliches Gefühl für Richtig und Falsch haben. Wir hätten die Wahl zwischen Gewalt und Hass einerseits und Versöhnung andererseits. Wer unter einem Terrorregime leidet, sollte standhalten, denn früher oder später, vielleicht auch erst nach dem eigenen Tod, würde sich zeigen, wer auf der richtigen Seite stand. So berichtet Tutu von Dominique Green, der in den USA unter schrecklichen familiären Bedingungen kriminell und zum Tode verurteilt wurde. Er änderte sein Leben grundstzlich und wurde religiös. Das half ihm jedoch nicht, denn das Todesurteil wurde dennoch 2004 trotz aller Proteste vollstreckt. Diese Moral klingt schön, unter verzweifelten Bedingungen kann sie auch Mut machen. Aber es ist fraglich, ob Gottesglaube und rechtschaffenes Handeln allein brutale Unterdrückung beenden können. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Made for Goodness Von Pc Written very heartfely and very informative , with lots of good ways of thinking and ways of looking at others with a very nice note on 'we are all human as 1st principle.'

Kurzbeschreibung In Made for Goodness, Archbishop Desmond Tutu explains that, though we sometimes act out of depravity and despair, we do know in our heart of hearts that we are not as we were meant to be, and were created to be so much more. The truth of human goodness can get hidden under the fear that we cannot live up to its demands, or it can get buried under faults or failures, or it can just get forgotten. In this thoughtful and important book, the Archbishop (with his daughter, Mpho Tutu) shows how we can find our way back to goodness by changing our attitudes, by practising forgiveness, and by prayer. Then we will begin to see the goodness and beauty of others... If our view changes, this in turn alters the way we act. And how we act towards each other affects not only ourselves but everything in our world - for the better. Pressestimmen As the authors so clearly and beautifully say in this book, anyone can choose to cultivate compassion. Thank you Archbishop Tutu for helping us all come back home to our true nature, which is inherently good and whole, and touch the peace that is always there for us. (Thich Nhat Hanh, author of The Art of Power and Savor) Desmond Tutu has walked the talk all his adult life. We can all be grateful that, together with his daughter Mpho, he has now shared his secrets for why he has so much hope and joy. (Mary Robinson, former president of Ireland) With disarming narrative skill,... Tutu and his daughter... tell true stories in which both brutality and hopefulness turn out to be as intimate as they are global. If you are still open to being convinced that goodness changes everything, then this book is for you. (Barbara Brown Taylor, author of An Altar in the World) I doubt there is anyone on this Earth with a deeper sense of God's presence and goodness than Archbishop Tutu. If you are thirsty for spiritual drink, come to the water of this beautiful book. (Thomas Cahill, author of How the Irish Saved Civilization and The Gifts of the Jews) Even with the incredible trauma and cruelty he endured in South Africa, Archbishop Tutu still radiates love and happiness. This book is a great gift to the world and will help all of us celebrate our goodness and oneness. (Sir Richard Branson, founder and chairman of the Virgin Group) Desmond Tutu and his daughter Mpho Tutu have seen more evil than most of us can begin to imagine. . . . That is why their book is shocking: How can they say that all people are fundamentally good? . . . It is a perfect book for Easter. (The Christian Century) A crucially important book from the Nobel Peace Prize winner; a witness to our tumultuous times. (Library Journal) Archbishop Desmond Tutu is the author of Made for Goodness - written with his daughter Mpho Tutu, also a priest in the Anglican communion - [a] reflection on faith, forgiveness and reconciliation. (NPR.org) By giving the audience glimpses into his prayer life and other spiritual disciplines, Tutu offer[s] a series of poignant reflections that speak about [his] lifelong quests to choose righteousness in a world gone awry. (Sojourners) Werbetext Archbishop Desmond Tutu's positive and accessible follow-up to God Has A Dream
