KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooI really like the MAIN STREET series, and the sixth book was outstanding.The three girls - Flora, Nikki, and Olivia - are now going to Junior High, which is also the high school, so there will be students from 7th grade to 12th grade.Flora and Nikki are very excited but Olivia is nervous. Since she skipped a grade she is one of the youngest in the whole school. She isn't afraid of the classes but of the other students.She just doesn't

fit in socially. She attempts to fit in but another student decides to use her to get good grades. She bullies Olivia and Olivia has to step up her game to finally feel comfortable in her own skin. I like the three girls in this series - I didn't like the new cover design. I liked the design of the first five and not this cartoon-y one. I really hope they will go back to the original designs for this great series! Reviewed by: Marta Morrison

Kurzbeschreibung It's back to school time for the kids of Camden Falls ... and for Flora, Olivia, and Nikki, that means a new school -- and new challenges. It's September in Camden Falls . . . and it's time for Flora, Nikki, and Olivia to move up to the Central School from their old elementary school. As seventh graders, they'll be sharing the halls with kids from other towns -- and from grades as high as twelfth. Flora and Nikki are excited . . . but Olivia isn't at all. She's always been the youngest girl in her class. Now she's the youngest girl in the whole school -- and plenty of kids, both friends and bullies, are noticing. When Olivia runs afoul of a popular girl, she realizes she has to grow up fast ... or get left behind.
