**Von Hamlin Garland : Main-Travelled Roads (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Main-Travelled Roads (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. The best of American Realism. Short stories full of heart. Von Ein Kunde Hamlin captures the essence of American Realism. The vividly painted scenes full of grit and labor keep this book moving. The characters are solid and provide the reader with a painfully honest view of life and love at the turn of the century. A necessary book for any decent

collection of American Realism. Escape into the main traveled roads of humanity!

Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. Pressestimmen "Was it not in Garland that American farmers first talked like farmers? Was it not Garland who among the very first dedicated his career to realism? Was it not Garland who, almost alone in the eighties, sat in the Boston Public Library writing out of his loneliness and poverty those first realistic stories that were to guide others to a new literature in America? It is true."--Alfred Kazin, *On Native Grounds: An Interpretation of Modern American Prose Literature*--Alfred Kazin Pressestimmen "Was it not in Garland that American farmers first talked like farmers?
