One of the most valuable ebooks on the topicVon krautartI read a lot of (e)books about arts marketing in the last months. Making it in the arts world by Brainard Carey is clearly the most valuable: on more than 200 pages it covers all the relevant topics without inflating the content with blah-blah. Besides it offers (separately downloadable) worksheets and helps you to to approach your goals structuredly. It is well layouted and easy to read.This reasonably priced ebook is absolutely worth reading and money well spent.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wholehearted recommendation!Von Susan B.Very helpful and insightful. This gave me a lot of ideas for how to start and what is necessary. I fully recommend, should you be inclined.
