Not enoughVon Old-and-WiseI had the first "Making Out in Japanese" so I bought this one without thinking. I'm rather disappointed. I hoped there would be some real slangy stuff, but found little. The phrases, while useful, are too "lame" to use in the real world. Also, some of my Japanese friends found many phrases in the book "funny": they are not really used very often even in the situation purported.Anyway, the book is easy to carry and can be a good guide to some useful phrases. I just wish the authors had chosen more real-world material.1 von 1 Kunden fanden die folgende Rezension hilfreich. Naughty and Nice!Von Ein KundeThis series is a lot of fun. The romaji text is spelled really no-frills (See _Barron's Japanese at a Glance_ for precision in spelling and annotation). There is also no Japanese text. However, and this is a big however, the intelligence contained herein will get you much further than any other phrase book I've seen!1 von 1 Kunden fanden die folgende Rezension hilfreich. Gotta Get It!!!Von Ein KundeThis book is a great book for those who want to learn how to speak the way the actual native Japanese people speak. It shows you how to express yourself the way you always wanted without sounding too grammatical.

KurzbeschreibungMaking Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Japan you will spend a lot more time trying to make new friends or start new romancesomething you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactionsgiving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as, intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romanji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana). Useful and interesting notes on Japanese language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks.Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.Pressestimmen"Absolute fun. Take this to your Japanese class, and have fun!" - GoodreadsKurzbeschreibungMaking Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken.
