Von **Kenneth L. Woodward** : **Making Saints: How The Catholic Church Determines Who Becomes A Saint, Who Doesn'T, And Why (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Saints: How The Catholic Church Determines Who Becomes A Saint, Who Doesn'T, And Why (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an excellent resource for any student of hagiographyVon J.E. SawyerBasically, this book is totally rad. It not only provides a solid historical basis for understanding the evolution of hagiography, but also details Woodward's in-depth conversations with the movers and shakers in the Saint-Making World today. This really helps to make a connection between the past and present in this fascinating book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good Source on Cause for Blessed Katharine DrexelVon sbs@libertynet.orgMany people ask about the steps and the history for Philadelphia's Blessed Katharine Drexel becoming a saint before 2000. This book, in part, offers a great insight into her cause.

KurzbeschreibungFrom inside the Vatican, the book that became a modern classic on sainthood in the Catholic Church. Working from church documents, Kenneth Woodward shows how saint-makers decide who is worthy of the church's highest honor. He describes the investigations into lives of candidates, explains how claims for miracles are approved or rejected, and reveals the role politics -- papal and secular -- plays in the ultimate decision. From his examination of such controversial candidates as Archbishop Oscar Romero of El Salvador and Edith Stein, a Jewish philosopher who became a nun and was gassed at Auschwitz, to his insights into the changes Pope John Paul II has instituted, Woodward opens the door on a 2,000-year-old tradition.PressestimmenPeter Hebblethwaite The New York Times Book This is easily the most comprehensive, critical, and up-to-date look at saint making so far written.Eugene Kennedy Los Angeles Times In this extraordinary book, Kenneth Woodward fashions a near miracle of research and journalistic inquiry. Woodward parts the long-congealed sea of Vatican bureaucracy that investigates the lives of men and women who have been variously recommended for official recognition as saints. Follow me, Woodward signals from the first arresting page, and we cannot resist making passage with him between the massive, trembling walls of water.KurzbeschreibungFrom inside the Vatican, the book that became a modern classic on sainthood in the Catholic Church.
